Workshop Hours: First Sunday of each month: 9am – 1pm

## Bikes 4 Life

### Volunteer Application Form

---

We're always on the lookout for skilled, short and long-term volunteers for our bike workshop. No experience is necessary, however it's always welcomed!

Volunteering can be through school community initiatives, corporate volunteer days to fulfill your company's corporate responsibility requirements, refugee and disengaged youth community integration programs and also for individuals in the community who just want to get involved in positive social action, in a friendly and relaxed environment.

#### Our Mission

Bikes 4 Life is a global initiative that also aims to heal some of the trauma caused by conflict, poverty and social injustice in underprivileged societies. In remote communities a bicycle is not only a means of transport to places of employment and education but can provide many with access to remote sources of food, water, medicine and shelter. One bicycle can support social rehabilitation and economic change and it is our mission is to collect, restore and provide bicycles to some of the most marginalized and impoverished communities around the world.

#### Organization Overview

Based in Melbourne, Bikes 4 Life is a network of concerned citizens, organizations and companies, who are dedicated to supporting extremely marginalized and neglected individuals and communities by providing re-cycled bicycles as a mode of sustainable transport, a vital instrument for access to independence and livelihood. We are people committed to taking meaningful action, by helping to provide tools for survival, empowerment, economic development and social change. We stand to represent real change by acting in a way we believe can benefit society at large. We aim to provide bicycles to the needy, raise awareness to the less informed, act as role models to our own youth, strengthen local community values, give hope, empowerment and confidence to marginalized communities, while supplying something as simple as bicycles.
